

## Now Hiring for the Fall

The Northwest Regional Planning Commission

---

### Community Development and Health Communications Specialist AmeriCorps VISTA

The Northwest Regional Planning Commission has an exciting opportunity for an individual interested in addressing community development, housing, hunger, and transportation issues in an AmeriCorps VISTA service position.

The candidate will address poverty through a diversity of projects including: implementing the Northwest Regional Plan by developing indicators and managing a data software that assesses the impact of the plan on poverty alleviation and related issues; supporting staff to write municipal plans with a focus on economic, housing, health, and hunger issues; providing outreach and assistance in communications; collaborating with and assisting partner organizations; and implementing the Northwest Regional Community Health Primer. Experience in communications, research, public health, planning or grant writing is plus. **Bachelor's degree is required.**

NRPC has a flexible and supportive office environment. We are looking for a candidate with enthusiasm for community development to be part of our team and help us accomplish our goals. AmeriCorps VISTA members receive a modest living allowance and gas stipend. Members are eligible for an education award or extra stipend at the end of the service year.
