FUNDING LANGUAGE

As regional planning commission board members, we are requesting support from the Legislature to provide full statutory formula funding to regional planning commissions. The capacity of our towns is strained, which has resulted in towns not taking advantage of federal and state funding opportunities. The continued underfunding of RPCs has resulted in lost opportunities and support for our towns. The Property Transfer Tax funding is the foundation that RPCs use to provide support to leverage federal and state resources. We hereby ask the Legislature to support full statutory formula funding for the RPCs increasing the funding from \$4,574,416 in FY23 to the full property transfer tax formula amount of \$10,134,624.
