This year the Commission will assist our member municipalities with maximizing local, state and federal infrastructure funds, water quality project implementation, Municipal Roads General Permit compliance, local energy and climate planning, zoning bylaw modernization, emergency preparedness, brownfields redevelopment and other needed services. NRPC will help promote the Missisquoi and Lamoille Valley Rail Trails, assist the Northwest Communications Union District in expanding broadband access in the region, update its Land Use Plan to support housing development and coordinate Housing For All, a three-year housing development campaign. The Commission has no regulatory or taxing authority; however, each year we do request a per capita assessment in support of local and regional activities and to provide matching funds for state and federal programs.

Your continued support for NRPC is greatly appreciated. We are your resource - please call on us for assistance with planning, zoning, transportation, project management, mapping or other needs.
